Stop the Violence Fund Application Pack

The Stop the Violence (STV) Fund is open to all WAGGGS Member Organisations (MO). When referring to Member Organisations this also includes any Component Association within the MO. The aim of the fund is to support MOs with specific costs in delivering the Voices against Violence (VAV) curriculum to more girls, (or girls and boys) or the delivery of a national girl-led advocacy STV Campaign in a safe and effective way.

MOs can apply for any amount up to **3,000 GBP**. The fund will be open to all WAGGGS MOs.

MOs that have attended a WAGGGS ACTIVATE training:

For those MOs that have already been trained in how to deliver the VAV curriculum and girl-led advocacy campaigns, the fund is designed to support you in the implementation of your rollout plan since attending an ACTIVATE training event. The fund is to support specific aspects of your plan, and we encourage you to contribute your own MO resources or develop other partnerships that will enable you to carry out all the actions in your rollout plan. MOs can also apply for money to support costs related to other elements of planning and delivering a national advocacy campaign on issues related with violence against women and girls.

MOs that have not attended a WAGGGS ACTIVATE training

For those MOs that have not attended an ACTIVATE training, but are interested in delivering the VAV curriculum or a girl-led advocacy STV campaign, the fund is available to support you to run an ACTIVATE training with a trained STV facilitator, which will prepare your MO to deliver the programme or girl-led advocacy campaigns safely and effectively to your members.

MOs can apply for money to support costs related to running an ACTIVATE training, which include the costs of inviting a WAGGGS facilitator to deliver the training or contributing to resources for the training to be conducted online. MOs can also apply for money to support costs related to other elements of planning and delivering the STV Campaign in your country, ie. organising awareness raising events, community engagement with boys and men, community consultation on issues related with violence against women and girls etc.

Before considering delivering the STV Campaign in your country and applying to the STV fund, please contact our Stop the Violence Campaign team at stoptheviolence@waggs.org in case you have any questions. In order to apply for the fund you would need to complete the rollout plan attached.

We also encourage you to visit our [STV website page](#) for more information and carefully read the [VAV Leader's Handbook](#) for background information to learn more about the Campaign and VaV curriculum and their impact around the world.

How to apply to the STV fund

Fill out the Application Form

Complete an Member Organisation (MO) Rollout Plan – this is your work plan and national strategy for rolling out the STV Campaign. The level of detail submitted in this plan will help us assess the funding application. Email the completed application to stoptheviolence@waggs.org.

Decisions on funding

Funding for the STV Fund is limited, and grant decisions will be made on a 'first come first serve basis'. Therefore we encourage your MO to apply as soon as possible, so as not to miss out on the opportunity. The fund will be open for applications till **31st January 2021**. Please note we may also only partly fund the costs requested in your application. Decisions on funding will be based on the following criteria:

- **Rollout Plan:** MO has a strong, detailed and realistic strategy in all areas of its rollout plan.
- **Initiative:** The MO has already taken initiative in starting the project and is making use of opportunities already available to implement nationally the STV Campaign.
- **Lives Reached:** The reach of the activity funded by the grant will be taken into account. How many hundreds, or thousands of girls/boys will benefit from the activity?
- **Funding Request:** The costs solicited are essential costs to reaching more girls/ boys with the STV Campaign.
- **MO contribution:** The MO is contributing its own resources to the project (Not just financial, but also looking at human resources, existing events to promote STV, partners they are collaborating with)

On receiving your application we aim to make a decision within ten working days of receiving your application. You may be asked for further information about your application before reaching a decision.

If your application is successful

If your application is accepted you will be asked to sign a grant agreement, after which WAGGGS will make a payment to your MO's bank account. As part of the grant agreement and transfer of funds, your MO will be committed to the following:

- 1) To use the funds granted solely for the purposes stipulated in the STV Fund application form.
- 2) Complete all actions stated in the rollout plan. If during the implementation of the project, the rollout plan changes, the MO should send an updated plan to WAGGGS.
- 3) To deliver the STV Campaign to the number of girls/ boys as stated in the rollout plan within the timeline Specified.
- 4) To deliver progress reports to WAGGGS every six months for the duration of the project.
- 5) To use the Monitoring and Evaluation questionnaire.

If you have any questions on how to apply to the STV fund or would like support in filling in the application pack, please don't hesitate to get in touch with Nefeli Themeli, Global Programmes Manager at Nefeli.Themeli@waggs.org
