

World Association of Girl Guides and Girl Scouts

The Jurassic Coast Weekend

To Support the Global Girls Fund

The 2010 WAGGGS Challenge programme invites you to take part in **The Jurassic Coast Weekend** along the South West Coastal Path in an east to west direction. Join us from Fri 16th - Sun 18th July 2010.

Your trek along the Jurassic Coast, England's first Natural World Heritage Site, will be an enjoyable and memorable one. Stretching 95 miles between Old Harry Rocks in Dorset to Orcombe Point at Exmouth in East Devon, the Jurassic Coast is the most geologically diverse coastline in the world. The exposed cliff sections allow you to look back through 185 million years.

The World Association of Girl Guides and Girl Scouts, through its Centenary Appeal, has created the Global Girls Fund, dedicated to empowering all girls and young women from as far as: Sri Lanka, Belarus, Jordan, South Africa and Peru, to reach their full potential and take action to change their world the better.

By taking part in this wonderful outdoor experience in Dorset, your money raised will go to support girls and young women through the work of the World Association.

To secure your place on this challenge please contact the World Association Fund Development Team (Telephone: +44 (0)20 7794 1181) or email: changinglives@waggsworld.org

Highlights :

- ◆ Opportunity to experience Dorset's breath taking views
- ◆ A three day challenge
- ◆ Two nights camping
- ◆ Raising support for the WAGGGS Global Girls Fund
- ◆ Only moderate fitness required

The Jurassic Coast Weekend is organised by Discover Adventure, you can also place your booking by visiting website www.discoveradventure.com and select WAGGGS as your charity of choice.
