

World Association of Girl Guides and Girl Scouts

Coast to Coast Eco Challenge

To Support the Global Girls Fund

The 2010 WAGGGS Challenge programme invites you to take part in **The Coast to Coast Eco Challenge** across the dramatic Scottish landscape! Join us from **Sat 29 May - Tue 1 June 2010**.

This is an amazing trek from the **East to West Coast of Scotland** that winds through remote areas of the Highlands. The spectacular landscape of glens and hill lochs provide a scenic backdrop to this wilderness challenge. A strong emphasis on **the preservation of the environment through camping** and trekking means you take part in a responsible challenge.

The **World Association of Girl Guides and Girl Scouts**, through its **Centenary Appeal**, has created the **Global Girls Fund**, dedicated to empowering all girls and young women from as far as: Sri Lanka, Belarus, Jordan, South Africa and Peru, to reach their full potential and take action to change their world for the better.

By taking part in this **exciting Scottish outdoor experience**, your money raised will go to support girls and young women through the work of the World Association.

To secure your place on this challenge please contact the World Association Fund Development Team (Telephone: +44 (0)20 7794 1181) or email changinglives@wagggsworld.org

Highlights :

- ◆ Opportunity to experience Scottish wildlife
- ◆ A four day challenge
- ◆ Two nights camping alongside remote bothies and Highland streams
- ◆ Raising support for the WAGGGS Global Girls Fund
- ◆ Only moderate fitness required

Other Opportunities:

- ◆ We are offering as well a **three day Jurassic Coast weekend** in Dorset, for more information please see other side of this letter

The Coast to Coast Eco Challenge is organised by Charity Challenges, you can also place your booking by visiting website www.charitychallenges.com and select WAGGGS as your charity of choice.
