## **EXPRESSIONS OF INTEREST**

Register your interest to become a partner to deliver **Voices Against Violence**, a non-formal education programme developed by the World Association of Girl Guides and Girl Scouts and UN Women, to end violence against girls and young women.

Any organization, whether they be part of Girl Guiding and Girl Scouting or not, can deliver **Voices against Violence**. The curriculum is free to use. We ask that any organization interested in using **Voices against Violence** submit an expression of interest form to WAGGS so we can assess their capacity to deliver a programme on such a sensitive and potentially harmful subject in a safe and ethical manner. The World Association of Girl Guides and Girl Scouts will support organizations interested in delivering the curriculum to build their capacity to do so safely.
