Leadership Development Program

DEVELOPING TOMORROW'S LEADERS

Today's girls and young women are tomorrow's leaders. They will be instrumental in leading positive change in their communities and around the world. Girl Guiding and Girl Scouting supports young leaders by providing strong role models and supporting girls' personal development and leadership skills. We equip and empower leaders through our innovative training programmes and by promoting knowledge and skills across the Movement.

Membership Development

REACHING OUT TO MORE GIRLS

WAGGGS wants millions more girls to join Girl Guiding or Girl Scouting. By growing the Movement, more girls and young women will have the opportunity to develop leadership skills and build confidence and self-esteem. We support our Member Organizations to reach out to many more girls around the world through capacity building. We do this by supporting Member Organizations to improve the quality of Girl Guiding and Girl Scouting, and offer relevant, exciting programmes for girls.

Advocacy Campaigning

EMPOWERING GIRLS TO TAKE ACTION

Girls want to influence positive change in the world today. WAGGGS' Vision is to empower girls to speak out and take action on the issues that matter to them. Through non-formal education, campaigns and international lobbying, WAGGGS inspires girls to influence decision-makers, implement projects to address issues affecting girls, and learn more about global development topics – issues such as health, peace and gender equality, ending violence and creating a sustainable future for all.

Endowment Fund

ENSURING WAGGGS' FUTURE

You may also choose to place your donation in an endowment fund. This provides long-term sustainability and security for WAGGGS to continue supporting girls and young women around the world in the future.
