Membership Development - Reaching out to more girls

Over 10 million girls are currently part of our Movement. You can help more girls and young women to join the Movement so they can use their voice on the global stage and ensure that the issues affecting girls today are reflected in all decisions that are made. Help continue to grow and offer the Girl Guiding and Girl Scouting experience to even more girls and young women of the Movement.

Leadership Development Program - Turning girls into leaders

Girls want to see transformative change during their lifetime, but too often, they are not given the opportunity to speak up and take action to change their communities and their world. Through WAGGGS' innovative leadership development programme, you can give girls the skills and experiences so they can become strong female leaders. You could help turn a girl into a leader so she can help create a safer, more equal world for girls and young women worldwide.
