What is ‘Being our best’?

Being our best is Girlguiding’s plan for the next five years. It is a commitment to deliver a bright future to all girls and young women in guiding - and to those who we hope will be joining. And it is a commitment from all of us - volunteers and staff - to get even better at what we do.

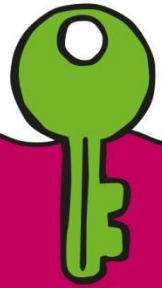
Our strategy: 2015-2019

Being our best

There are four key themes that will underpin everything we do.

EXCELLENCE



ACCESS

VOICE

CAPACITY

WE DISCOVER, WE GROW
Girlguiding

EXCELLENCE

Our commitment:

We will get better and better at all that we do for girls.

What does this mean?

- Our programme will offer girls the opportunities that they want and need.
- Volunteers will benefit from more support and training.
- Girls will have even more opportunities for fun and adventure and will make an even bigger difference in their communities.

WE DISCOVER, WE GROW
Girlguiding

ACCESS

Our commitment:

We will work together to ensure that more girls from all backgrounds benefit from what we do.

What does this mean?

- More people will hear about Girlguiding, and will be inspired to join.
- All the girls who want to join will be able to access the benefits of guiding.
- More volunteers will join so that we can change more girls' lives.

WE DISCOVER, WE GROW
Girlguiding

VOICE

Our commitment:

We will listen to girls and promote their voice.

What does this mean?

- Girls will be empowered to take action in their community.
- Girls' voices will be heard in guiding and beyond.
- We will be experts on what girls think.

WE DISCOVER, WE GROW
Girlguiding

CAPACITY

Our commitment:

We will work collaboratively to improve our processes and decision-making.

What does this mean?

- Improved systems and processes will make guiding easier.
- There will be less administrative pressure on volunteers.
- More support will be offered behind the scenes.

Being our best

Question 1:

1. “Excellence – Voice – Access – Capacity”:

   which of these four themes might be most likely to strengthen the girl experience in your MO?

Question 2:

2. Share an example of something you are doing now under your theme.

EXCELLENCE

How will we make this happen?

WE DISCOVER, WE GROW
Girlguiding

How will we make this happen?

- ***Empowering leaders*** who care about Girl-led guiding to lead great units

- ***Trained*** by amazing trainers who help leaders to do this

How will we make this happen?

- A UK-wide network of 700+ Trainers –

qualified to train leaders, Commissioners
and/or train in
specialist subject areas of the programme.

How will we make this happen?

- **Trainers' skills reviewed every 3 years -**
  - are they up to date and have the girl experience at the heart of what they train our leaders in?

- Annual gatherings of Training or Tutors, by country, region and nationally to **learn, update and refresh** their training skills.

- Supported by **excellence** in online and printed leader **resources.**

And now…

Include in every training the 4 “Being Our Best” themes:

Excellence - Voice – Access – Capacity

and

The Promise

, and explain how much these matter
if we are to strengthen the experience of Girlguiding
for all our members from 5 to 25…
